REPORT OF OFFICERS

- Commandant – Gary Nasby
 - Met with the Director of the Washington Street Corridor Development Organization. They can provide a lot of support and visibility for us. They asked us to join the group. The consensus of the staff officers was for us to join and this issue will be raised at the member's meeting.
 - It was also suggested that we tie in our June 25th event with the Washington Street Corridor Development Organization.
 - There was discussion of a letter received by the Commandant regarding the activities, or lack thereof, of the detachment in various programs. The suggestion of the staff officers was to have Commandant Nasby write a letter to the detachment member to see if an explanation would help the member understand all that we are involved in.

 - The tank lecture is being delayed because of the press of activities at the next meeting, namely the Election of Officers.
